Dallis Designer Homes calls for volunteers for its Extreme Dream Team

June 16, 2008 – Dallis Designer Homes today announced they will join ABC's *Extreme Makeover: Home Edition* for the upcoming build. The Greater Cincinnati builder was selected to oversee and implement an intense one-week build that will change the life of a deserving Greater Cincinnati family. Though the exact location of the project has not yet been disclosed at this time, what motivates the Dallis Designer Homes team to take on this unimaginable task is the chance to give one of five families selected in our community a truly life changing gift – a brand new home.

Dallis Designer Homes is requesting volunteers in the community to provide their time, support and resources to help ensure the success of this life-changing project. Duke Energy has joined our team and made a major commitment of personnel and resources to this project.
